FROM THE DESK OF THE COMMANDER: Cdr Shari Marshall, AP

Happy New Year!

On behalf of the Banana River Sail & Power Squadron, I would like to wish you all a Happy and Prosperous New Year!

The year 2018 saw many exciting events within the Squadron, and it is hoped that 2019 will be even better.

A few community events to mark on your calendar are Samsons Island Open House on Feb. 16, the Eau Gallie Boat Ramp Clean-up on May 18, holiday Toys for Tots Drive in December, and the Christmas Boat Parade will be on Dec. 14.

Squadron social events will include but not limited to the Flare-Up, Corn Roast, Navigation Challenge, Satellite Beach Founder's Day, Ocean Reef Festival, and our annual Holiday Party.

Do not forget our monthly Membership Meetings with 8 featured guest speakers. The Jan, Feb, and March meetings will be held at Cocoa Beach Squid Lips. If anyone has a suggestion for a meeting room that is large enough and relatively inexpensive, has AV equipment, and is located closer to the intersection of Eau Gallie and US 1 (center point of membership addresses), please let a Bridge officer know.

Please see SEO Jim Merker's account of educational offerings for 2019.

District 23 offers a Winter Council Meeting, Spring and Fall Conference, annual Picnic, and interaction at the USPS Annual Meeting. Plan on attending some of these activities; a great place to meet new friends, learn about USPS and District governance, and enjoy wonderful food!

Your Bridge is dedicated to bringing you a variety of events and activities which will increase your knowledge base and be FUN. Many of you have said you want a variety of social, on-the-water, and educational offerings. We want to bring these opportunities to you.

That said, your Bridge needs "more hands on deck"! No one should have to plan, setup, and execute an entire function. It is so much more efficient and effective to have at least 3 members involved. Please consider an event or function you would like to volunteer for. You WILL have help.

Lastly, think about someone you know or work with who has a boat, is thinking about buying a boat, or wants to learn more about boating. What would it take to invite him/her to a meeting, get signed up for ABC3, or come join us as a guest? The more active members in BRSPS, the more it can hope to meet our 2019 New Year's Resolutions!!

FROM THE EDUCATION DEPARTMENT BY SEO P/C Jim Merker, AP

An Engine Teardown Workshop will be held starting Saturday January 5 and run every Saturday for 3 weeks from 10am to 1pm.

We will disassemble and try to diagnose what is wrong with a 70hp 4-stroke outboard that began adding water to its oil supply.

If we can fix it, great. If not, then we will continue to tear it down until we have had a chance to see all the inner workings. Please let me know if you are interested and available to come and play...

I mean learn...with me.

Six students took the Weather Course exam, and 4 passed. Congratulations!

Instructor Certification/Recertification will be held mid February.

ABC3 and JrBB will be taught in March. See Page 3 and 15 for more details.

Boat Handling (Seamanship) will begin the end of April. Time and place will be advertised in February Dragon Tales.

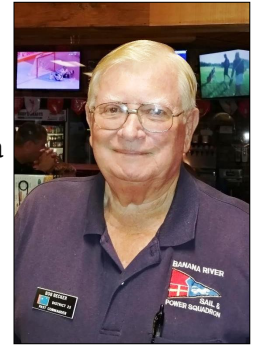

Cocoa Beach SPS will be teaching Piloting and Electronic Navigation starting in January. We will promote their educational offerings and share our course schedule with them as well.

Remember, we do not just offer boating education – we provide superior boating education!

Check our website www.banariversps.org for more information.

FROM THE SQUADRON MEMBERSHIP CHAIRMAN: P/D/C Bob Becker, SN**HAPPY NEW YEAR!!**

Yes its 2019! Its winter, a bit colder and we will all be a bit older this year. I hope Santa brought you what you asked him for. I got my usual supply of underwear and ties. Missed out again on the 36 ft SeaRay, but there is always next year.

Resolutions, resolutions, resolutions. Did you make any? Did you write them down? Did you already erase one or more of them? As mentioned in my December Membership column, I hope that you include the following resolutions for BRS&PS in your 2019 items:

- Bring in at least one new member
- Attend squadron functions
- Support our squadron officers

As far as new members go, let's hit the 100 membership mark during 2019. We seem to be stuck around 60 members. If each one of us could bring in one new member we would be at the 100+ mark. The "life-blood" of any organization is its MEMBERSHIP. Several of our members own boats and in speaking to your fellow boaters why not explain what our BRS&PS (America's Boating Club) is all about. In addition we have a ton of USPS member benefits.

Attend squadron functions. Start off by attending the monthly general membership meetings. We usually have a guest speaker, a short business meeting and plenty of time to socialize. Get to know your fellow squadronites. This is the place to bring your boating problems. With years of boating experience there are members who can usually assist you with your problem or at least point you in the right direction.

Another important item is education. Our squadron can offer you any and all of the USPS Educational Courses. Many of these courses have already or are about to be re-written. All you have to do is speak to P/C Jim Merker our SEO about which course you want to take. Some of the USPS courses are or soon will be available on the internet. You won't even have to leave the comfort of your home!

And don't forget that we have at-large members sitting on the executive committee. If you have any new ideas or old ideas that are not active, get in touch with one of them to see about advancing your idea(s). These at-large members are listed in our monthly squadron publication.

February finds the USPS yearly meeting again being held in our back door...Orlando. If you have never attended one of these meetings this might be the right time to attend. You don't have to get a hotel room as you can drive there. The meeting info is in the USPS Ensign magazine. It is a great opportunity to see and hear the workings of our great organization. If you are interested please speak to our sqdn commander who will be attending along with several of our members.

Wishing you and yours a safe, healthy and prosperous New Year.

2018 HOLIDAY PARTY

See you in Orlando

Ann and I want to extend an invitation for all members to our Annual Meeting in Orlando next February. A lot is planned and you will notice some changes from our normal format which you will find interesting.

Catch up on everything that's going on in America's Boating Club. Learn how to name your squadron as a unit of our Club and participate in the national branding effort that will give local squadrons a common identity. It's very important that we overcome the "nobody knows us" problem we have had and it's even more important that we do it right.

And, come see what the committees and headquarters are doing for you. We often hear "what does national do for me", well, come and find out. There is much to learn since the last annual meeting, and a lot going on. Be part of that, ask questions, make suggestions, air complaints, and participate in the discussion. As I often say, this is an exciting time to be a member of USPS and America's Boating Club!

Introduce yourself to the officers, committee members, and some of the headquarters staff who make up our national organization. Find out how you can join a committee or otherwise help with all we do and therefore become a part of the action! It's very rewarding and it's very much needed.

There are interesting activities planned too, from a mystery dinner theatre to an animal and theme park. Check out the information section of the meeting site and see what's in store.

You won't want to miss our Friday keynote speaker and his story of a huge drug bust off the coast of North Carolina, be sure to read the cameo of that presentation.

And there are a lot more interesting things to do to make it a mini-vacation. Or, maybe not so "mini"!

So, I hope I'll see you there!

c/c G. Cheney

Registration

How to Register Online

The best way to register for the Annual Meeting is online. From the USPS home page, log into the member site. Click on the National Meetings button at the bottom of the left-hand menu to reach the Meetings & Events page (top left). From the main menu, click the links you need.

Event Information connects to a three-panel page (middle right), where you'll find:

- A link to the **Event Reservation** page where you can enter your USPS certificate number and your zip code or PIN number to pre-fill your registration form with your member information, making it easier to register for your activities and meals.
- A link to the **Hotel Reservation Site** — Rosen Centre's dedicated web page for our meeting (bottom left). Reserving online is the best way to reserve the room and amenities that you need. *Avoid disappointment: If you prefer to make your reservations by phone, please use the Rosen's 407-996-9840 number. (Call center agents may not be familiar with our block of rooms or the very special pricing USPS is enjoying for this event.) Our \$159/night (plus tax) special room rate will be honored through 10 January 2019 on available rooms during the 18-24 February 2019 period. For rooms with handicap accommodations, please reserve ASAP.*
- A complete guide to activities and meals.
