# Why Promote Safe Boating Week?

**WEAR IT**  
A program of the National Safe Boating Council

## National Safe Boating Week: May 18-24, 2019

At the core of the 2019 Safe Boating Week campaign are the 4 key messages that ABC-SB has been consistently delivering to the boating community. These figures speak for themselves.

The following statistics are from the US Coast Guards 2017 Recreational Boating Statistics as reported by the National Safe Boating Council: In 2017, there were 4,291 reported accidents; 658 reported deaths; 2,629 reported injuries; \$46M dollars of damage to property as a result of recreational boating accidents

- Wear a PFD or Lifejacket
  - 76% of boating deaths due to drowning
  - 84.5% of victims not wearing a life jacket
  - 2/3 of the drowning victims were good swimmers
- Don't Drink & Boat
  - 19% of deaths where the primary cause was known as alcohol as the leading factor
- Take a Boating Course
  - 81% of deaths occurred on boats where the operator had no boating safety instruction
  - 1 in 3 of all boating injuries occurred in boat operators over the age of 35
- Be Wary of the Weather
  - Before going boating, fishing, diving or enjoying other water sports, check the forecast from [weather.gov](http://weather.gov) or your favorite weather source.. Monitor storms via:  
NOAA Weather Radio  
[Mobile.weather.gov](http://Mobile.weather.gov)

Top Ranking States for Reported Boating Deaths: Florida 66, Texas 63, California 50

Top Ranking States for Reported Boating Accidents: Florida 723, California 350, Texas 170

## FROM THE DESK OF THE SECRETARY: LT/C STEPHANIE MURPHY, P

### BANANA RIVER SAIL AND POWER SQUADRON MEETING MINUTES:

**DATE:** March 18, 2019

**LOCATION:** Kelly's Burger and Beer, Melbourne

#### Exec Board Attending

Cdr Shari Marshall, AP; P/C Don Kadlac, P; P/D/ Lt/C Ernst Hofmann, JN; Lt/C Stephanie Murphy, P; P/C James Merker, AP; Lt/C John Pechar, P

#### Exec Board Absent

P/D/C Robert Becker, SN; Lt Harvey Inventasch, S; P/C Edmund LeCun, JN; Lt/C Gail Wall, P; Lt/C Monika Bradley, S

#### Members Attending: 18

**Visitors: 3** (2 speakers; 1 guest of a member)

The meeting was called to order at 1915 by Cdr Shari Marshall. Pledge and blessing were led by John Pechar.

Cdr Marshall introduced the speakers, Dave and Nancy Haslam, who spoke about the ship and their experiences over three years on the Tall Ship Lady Washington.

#### Commander's Report:

Cdr Marshall stated that the USPS Governing Board Meeting will be in Louisville, KY on Sept 8-15, 2019.

The D23 Spring Picnic will be on May 18 at Sand Point Park in Titusville. All district members are encouraged to take part in the kayak races and hopefully come by boat. Titusville Marina will have slips available, but reserve ASAP.

There are 4 remaining BRSPS burgees to be sold for \$20 each.

#### Executive Officer Report:

Don Kadlac reported that he has cataloged clothing, ensigns, decorative boating flags, and a homemade podium which Dick People left to the Squadron. Contact Don if interested in size 15-1/2 uniform shirts, size L golf-style shirts or the flags. The podium will be stored in The Crib.

#### Admin Officer Report: N/A

#### Ed Department Report:

P/C James Merker provided the following report. Two more Basic Boating (ABC3) courses are

planned for 2019 (8/17, 10/26). An additional Junior Basic Boating class is planned for June (0900-1130 daily).

We will be performing several Vessel Safety Checks on 27/28 April to allow students who passed the previous course to get their certification. Let Jim know if you have a boat to get inspected.

The Instructor Development course is finishing up. So we will have 4 new instructors and 7 recertified instructors.

#### Secretary's Report:

BRSPS has 55 active members and 2 associate members.

Longtime member Mayford Pence passed away at the age of 97. His funeral is 16 April. Stephanie Murphy represented the Squadron at a Viewing and met two of Mr. Pence's daughters and one granddaughter. The family was very happy to see someone from the Squadron as the entire family had happy memories of Squadron activities over the years. A sympathy card was passed around.

Two get well cards were passed around for 2 members who are recuperating.

#### Treasurer's Report:

Monika Bradley provided savings and checking account balances via email.

Ken Peters, past ABC-SB Commander, mentioned how wonderful the Squadron's Dragon Tales newsletter is and how he shares it with the Palm Beach SPS. Kudos!

Commander asked meeting attendees what they thought about continuing at Kelly's Burger and Beer. Overall review was favorable.

The meeting was *adjourned at 2130*.

Next General meeting will be on May 20, 2019 at **Kelly's Burger and Beer, Melbourne**. Next Executive Committee meeting will be held on **May 14, 2018** at BAAB.

Submitted by Stephanie Murphy, BRSPS Secretary on 17 April 2019.

## HIGHLIGHTS OF THE APRIL MEETING

**Certificate of Appreciation given to Dave and Nancy Haslam by Cdr Marshall**

**FROM THE EDUCATION DEPARTMENT BY SEO P/C Jim Merker, AP**

I need YOUR help! Do you remember the first time you were truly in charge of your own boat? Looking back, what do you wish someone would have told you before you took on that responsibility? We are working to put together a new boat owner orientation and could use YOUR input.

The national organization has developed a program called “Jumpstart” which is designed to provide a helping hand to owners/operators who are new to their boat. This program creates an outline for how we go about providing on-the-water training but comes up a little short on pre-departure presentation materials. This is where you come in: think about what you should have been told and what needed to be emphasized to you. We aren’t going to be able to teach the entire Basic Boating Course, but we need a primer that can be provided in two to three hours. It will be just enough to get safely off the dock and back, and more importantly show them just how much more they truly need to learn. I greatly appreciate your help with this!

On a separate note, we have a BONUS engine tear-down session scheduled for Saturday, 4 May from 1000-1230. This one will be a bit more ad-hoc than usual. We will be disassembling the lower unit and trim ram of the Honda 90. Taking apart lower units has been a lot more miss than hit in my experience, but one way or another it’s going to happen. I’ve got plans...

The annual Flare-Up will be 1 June. Bring your old flares and try them for yourself. We coordinate the proper permissions to launch aerals and pop smokes, so check out the flyer and plan to join us!

Lastly, our second Junior Basic Boating Class is scheduled for 24-26 June at the Schechter Community Center in Satellite Beach. For registration details go to the Satellite Beach Recreation Department website at [playsatellitebeach.org](http://playsatellitebeach.org) and look up summer camps.

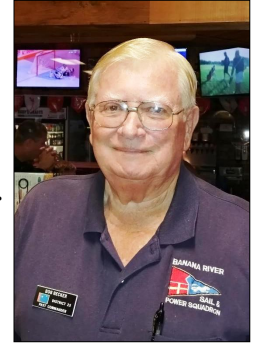

**Remember, we do not just offer boating education –  
we provide superior boating education!**

**FROM THE SQUADRON MEMBERSHIP CHAIRMAN: P/D/C Bob Becker, SN**

Do April showers bring May flowers? I wonder.

Last month I asked several questions of you the membership. I received no replies so either no one reads the newsletter or everyone is happy and has no recommendations.

I recently spoke to several of my friends at Captree Power Squadron on Long Island, my old squadron. They all have their winter covers off and are diligently working on their boats getting them ready for the relatively short boating season. Most try to get into the water by Memorial Day.

Today, while heading east on the Pineda Causeway past the Patrick AFB boat storage area just north of the causeway, I noted just how many boats are up on land in storage. It appears that very few, if any, ever see the water. How sad. Here we have the best all year round boating season, and few take advantage of our wonderful waters.

I was recently informed that one of our older members passed away. P/C Mayford Pence crossed the bar. Mayford was 97 years young.

Well summer will be here soon and hopefully all you who have a boat will get out on the water. Our squadron bridge and staff have many events planned for the next several month. Hopefully you all will attend and enjoy the camaraderie with your fellow boaters.

Have a GREAT and SAFE boating season.

**Talk up Americas Boating Club, it's YOUR organization!**

Marine Resources Council is a mangrove aquaculture facility, licensed and permitted by the Florida Department of Agriculture and Consumer Services. In our mangrove restoration program, we care for the three species native to Florida (red, black, and white), a total of approximately 4,000 plants. These mangroves will all eventually be transplanted along the Indian River Lagoon to provide nutrient uptake, wildlife habitat, storm protection, and erosion control.

By the end of 2018, we will plant almost 1,000 mangroves along the IRL shoreline through multiple projects funded privately and publicly by the Save Our Indian River Lagoon Project Plan.

MRC is always accepting propagules so next time you are on the beach it is easy to help our restoration efforts by collecting seeds and dropping them off to us at the Lagoon House!

# DISTRICT 23 SPRING PICNIC

## KAYAK RACE

The second annual kayak race event will be held at the D23 Titusville Picnic. Last year's event was a huge success and there are requests for a re-match!

Using the attached entry form, entries must be received by 08 May 2019. There is no fee for participation but we need to know how many will attend.

In case of inclement weather, all entrants will be notified via email by 17 May 2019.

## FORMAT

There will be two race events:

One person kayak

Two person kayak

The number of persons in the boat will be the determining factor, not the size of the boat.

## COURSE

The course will start and end at the same marker at the southern end of the course. Rowers will be required to race to the northern course marker, successfully going around the marker, before rowing south to the starting marker.

The course will run parallel 100 feet off the seawall in water depth of approximately 4 feet.

The winner will be adjudicated by the District Commander who will be located on shore at the finish line.

Ties may result in a run-off.

## RULES

All boats will be inspected for sea worthiness

Boats may be fiber glass, wood, or inflatable kayaks (no home- built boats)

All participant must be squadron members as indicated by membership number on the application form. No non-member spouses or children.

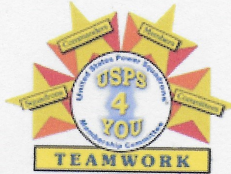

All boaters are required to wear USCG approved life jackets and shall have whistles or other sounding devices.

Rescue boats will be on the water in case of emergency

## United States Power Squadrons Youth Activities

### Reach Out USPS ~ Member Involvement Programs with a Youth focus

For some time now we have expanded the Membership Committee Retention/Involvement Program to include the Youth Team and Community Outreach Programs. The idea is to encourage our squadron members to get involved with Community Outreach or Civic Service commitments involving families and work with other groups that can use our assistance. The intent is to expand our membership reach and PR/Marketing base within our communities, while we assist with much needed help in community programs.

There are many ways to do this from cleaning up parks, roads and waterways of trash and debris, formulating and presenting a disaster response (hurricane) program, and collecting Toys for Tots (<https://www.toysfortots.org/>) to aide the US Marines. Mentor a Sea Scout Ship or a Boy Scout troop.

Another suggestion is to contact your local schools or any youth group to hold a Poster Contest. The following forms explain the 2019 National Youth Poster Contest, but these can all be easily adapted for local use. 2019 is the final year of a National Poster Contest, but we encourage local squadrons to utilize the concept with any class or youth group. Choose a theme and hold a contest. The Kids love it!
